DEPARTMENT OF TRADE
MINISTRY OF ECONOMIC AFFAIRS
ROYAL GOVERNMENT OF BHUTAN
THIMPHU : BHUTAN

MoEA/DT/EPD-08/2014/ 1875

March 24, 2014

Foreword

I am pleased that the Export Promotion Division of the Department of Trade, Ministry of Economic Affairs is publishing the 6th Edition of the Exporter's Directory. The Directory contains concise information on every exporter in Bhutan to enable buyers throughout the world to make contact with Bhutanese exporters. Also, I am glad to mention that the Department has been publishing a series of Trade related information manuals and booklets in order to keep the business community well informed of the changes taking place in the business world.

Given the small size of our domestic market, it is critical to establish export markets to generate and sustain economic growth. The Department has been making vigorous attempts to promote our exports in the region and beyond through various means. The Exporter's Directory is one such attempt to help launch our exports by disseminating information on our exporters and products. We are hopeful that this informative document would contribute in its small way in generating exports.

For the convenience of the users, the directory is divided into two parts: Name wise-details and sector-wise details of the exporters. Information on various Trade and Industry associations and organizations in Bhutan and contact information of Bhutanese Embassies and Missions abroad is also available. In order to maintain the spirit in which it was created, the Directory is being distributed free of cost to the Bhutanese Embassies abroad, various Chambers of Commerce and Government organizations. Also, the Directory is available on our website (www.moea.gov.bt)

We hope that this directory would be useful to all concerned.

(Sonam Wangchuk)
